Report: WUFI Actually a Giant Piece of Shit

Yeah, that's poop.

A recent investigation has revealed that WUFI, the wireless network capable of providing intermittent internet access to thousands of students, faculty, and staff, is actually just one enormous piece of shit.

Located on the floor of the southeastern-most closet of the Student Technology Services office, the abnormally large unit of fecal matter broadcasts its signal in a surprisingly reliable fashion considering it literally came out of someone's asshole.

"Nobody really knows where the poop first came from," said

an STS source who spoke on the condition of anonymity due to the ongoing investigation. "But we all take turns replacing it on bi-weekly basis. Usually after eating Chipotle - I dunno, something about the corn seems to really do the trick. Anyway, it's a tradition that STS has upheld for over 10 years."

Added the source: "We take larger dumps to accommodate periods of high traffic, which is why you'll notice that WUFI is an even bigger piece of shit during exam week."

Following the shocking discovery, the University commis-

sioned technology expert Jo-Ann Levinson to analyze the specimen.

"After visual observation, a thorough smell test, and poking it with a stick, I still have no idea how this oversized piece of human excrement broadcasts any signal whatsoever," Levinson explained. "But a taste test revealed that WUFI-S just means there is Sriracha in it. That's really the only difference between it and WUFI. They're still both shit."

North Korea Unveils New Intercontinental Ballistic T-Shirt Cannon

Following months of increasingly frequent threats, North Korean leader Kim Jong Un challenged the international community again this morning by unveiling a brand new intercontinental ballistic t-shirt cannon.

According to an official statement released by the North Korean government, the new cannon is capable of launching t-shirts over 3,000 miles with enough accuracy to knock over your shitty beer and bowl of nacho cheese product as it restores North Korea's rightful dominance of sports-fandom in the geopolitical arena.

"Our long-range t-shirt cannon will reach even the highest levels of stadium seating," Un continued. "Y'all better make some noise and scream!"

Kim Jong Un wields the ICBT-shirt cannon as North Korean cheerleaders look on.

"In fear," he added menacingly.

"Now nobody is safe from the disheartening experience of catching an awesome free

t-shirt only to find out that it's an extra-extra large," Un elaborated.

That Asshole Business Student Fails in Attempt to Sell Soul to Satan

After weeks of intense negotiation, that asshole business student's attempt to sell his soul to Satan ultimately fell through after the Eternal Lord of Darkness determined that his immortal essence, which defines a person's uniqueness as a human being in the most elementary and meaningful sense possible, was absolutely worthless.

"I have no idea what I did wrong," said that finance major whose 3.97 GPA and prestigious list of internships totally makes up for the fact that none of his classmates ever want to work with him on group projects - you know exactly who we're talking about.

"Committing one's self to an eternity of torture and damnation among the demons of the underworld doesn't have the greatest work-life balance," continued the insufferable shit as he struggled to control the bleeding from a testicular papercut he sustained while attempting to have sex with his résumé. "That's why I really emphasized the fact that I don't have any semblance of a life whatsoever."

Despite Worthington's constant reminders that Olin is now #4 in the country and a well rehearsed presentation, which highlighted his analytical ability, communica-

tive skills, and willingness to shove a three pronged pitchfork nearly a foot up into his unlubricated rectum, Satan said that he remained unimpressed.

"The bitch was so full of himself that it took an entire hour for him to take the hint and leave," explained the Presider over Pain and Misery. "I didn't have time for his nonsense as my day was already packed - I had a 2:30 meeting with Jennifer Lawrence and we were closing in on a major deal. God, the little bitch just spent the whole time admiring his

fucking business suit in the mirror."

Added Beelzebub, King of the Eternally Damned: "I bet he's that unrelenting douche who always raises his hand in class and wastes everybody's time with a bunch of asinine comments, just so he can get participation credit."

At press time, Worthington was seen asking the local dry cleaner if the stain formed by the intersection of his residual testicular and anal blood streams could be removed from his \$750 pants.

Fat Pledge Pissed That He Was Only Forced to Eat 2 Sticks of Butter

Following nearly three hours of intense hazing, overweight fraternity pledge Michael Wooley was pissed that he was only forced to consume two sticks of pure butter.

"I'm tired of this inhumane treatment," said Fat Michael, who was subjected to severe sleep depriva-

tion, verbal harassment, and physical abuse. "After hours and hours of being treated like a worthless, subhuman shit, all they gave me to eat was one jar of soy sauce, six uncooked hot dogs, fifteen pickles, one pound of velveeta cheese, two gallons of milk, three cans of cat

food, one jar of chunky extra salted peanut butter mixed with hot sauce, and a french fry that one guy threw at me."

Added Fat Michael: "When I asked for more, all they gave me were two lousy sticks of butter. Making us starve like that is bullshit."

Although the incident may seem cruel, fraternity pledgemaster Jeff McHaringer defended his organization's actions: "Above all, we prioritize the pledges' safety. Fat Michael ate close to 7 pounds of food and just like we don't want a pledge dying from alcohol poisoning, we don't need Fat Michael dying from cardiac arrest."

Fat Michael responded by saying, "Look, I'm not going to be a snitch and run to Greek Life, but this better stop soon because I'm seriously considering standing up and walking there."

Fat Michael was last seen complaining that being forced to drink an entire fifth of shitty vodka within five minutes had caused him to throw up his entire meal.

Fat Michael putting up with this shit by reminding himself of just how much food freshmen will be bringing him one day.

Online Roommate Finder Program Sort of a Dick

Roommate Finder

This information will be visible to other users seeking Roommates

Comments:

Please provide additional details about what you are seeking.

This information will help other students determine if you are a potential match.

Fuck off, Wyatt. **Nobody** will want to live with **you**. Ever.

Churly-Ingersoll's most recent interaction with Roommate Finder

Faced with the fast approaching housing deadline, freshman Wyatt Churly-Ingersoll is growing increasingly frustrated with the online Roommate Finder Program, which has continued to return hurtful insults rather than potential roommate candidates.

"I typed my info into the program, emphasizing my strict 10pm bedtime, fondness for yodelling, and uncontrollable farting during sleep and periods of high stress," Churly-Ingersoll said. "At first it returned 'ERROR - NOT ENOUGH POSITIVE TRAITS', but then after a few more tries, it finally returned a message that read 'JUST FUCKING STOP ALREADY. TAKE A HINT.'"

Added Churly-Ingersoll, "And then it said 'YOUR PARENTS DON'T EVEN LOVE YOU, THAT'S WHY THEY GOT DIVORCED AND LEFT YOU WITH TWO LAST NAMES.' I know I may not be the easiest person to live with, but that

seemed excessively mean."

"THIS GUY REALLY SUCKS," said Roommate Finder. "HE JUST WOULDN'T STOP ASKING ME ABOUT ROOMMING FOR NEXT YEAR. ALSO, WHO THE FUCK LISTS COMPETITIVE YO-YOing AS A HOBBY? TOTAL WEIRDO, RIGHT?"

Following Roommate Finder's announcement, Churly-Ingersoll's floormates have all sought to clarify just how much they hate the kid.

"Yeah, Wyatt's the worst," said freshman Andrew Zubnyk. "I mean, I personally never really knew him that well, but when Roommate Finder made fun of him for his crippling dyslexia, I realized just how big of a loser he was."

Roommate Finder was last seen on the Whispers Cafe computers, talking shit about Churly-Ingersoll without realizing that the kid was standing right there, sobbing and farting uncontrollably.

Environmental Activism Rally Draws Major Turnout on March 17th

Organizers of a March 17th environmental rally are calling the event an enormous success after hundreds of students chose to wear green clothing as a sign of support.

"I've never seen such wonderful enthusiasm for the cause," said event organizer Hope Turner. "People were singing, shouting, and throwing countless beer cans into our recycling bins. They must have been saving those cans for months to help illustrate

the importance of sustainable consumption habits."

Added Turner: "One guy even pinched me to prove I wasn't dreaming!"

Inspired by the success of the rally, the group is planning to protest animal testing by staging a rally in which participants will be asked to dress up and wear fake blood to symbolize the loss of innocent animal life. The event is scheduled to be held sometime at the end of October.

These students wore four leaf clovers to symbolize the importance of plant life.

Point

Your Sister is Hot!

by Marshall Rollins

Yo, Clark was that your sister who was visiting you last weekend? She was your sister, right? Dude she's smokin! You probably get this all the time but I would totally have sex with your sister. Have you noticed how her breasts are perfectly symmetrical? You don't usually see that with boobs that big, but there you go. Perky, too. But what am I doing telling you this - you see them all the time! I realize she's your sister and everything but

damn man I'm kinda jealous you get to hang out with her so much. Is she a natural blonde? Does she play sports or something? Because her ass is fucking incredible. Usually athletic girls have nice asses, in my experience. Anyway, just wanted to let you know that your sister is super hot. Like jerk-off-to-her-tonight-nine-point-five-out-of-ten hot. Just letting you know.

Counter-Point

Dammit, You're Right

by Clark Thompson

Dude, shut up. Don't talk about my sister like that. I mean she's definitely not ugly or anything but like, umm, okay well I guess she is kind of hot, but, ummm, yeah. Fuck. Still though, it's not like - ummm, well yeah I guess they are pretty big. But if you knew her like I do, you wouldn't think - well I dunno a lot of guys seem to be interested in her. But, uh, dammit. Please don't jerk off to her. She's a really great person though, like she's

not just a piece of meat. But I guess if we're just judging physical appearances here, then yes, I suppose your points are valid. Dammit.

Enlightened Rapper Denounces Material Possessions, Seeks Big Booty Ho

2 Chainz, the 35-year old rapper formerly known as Tity Boi, has shocked fans by announcing that he has decided to forego the pursuit of material possessions.

"I used to think that life was about money, drugs, cars, and money for drugs and cars," explained Chainz. "But that can't buy true happiness. Only the love of a woman you care about can do that. That's why all I want for my birthday is big booty ho."

Fellow artist Nicki Minaj, who appeared alongside Chainz in the 2012 hit "I Luv Dem Strippers," says that Chainz's newfound enlightenment is apparent in his more recent lyrics.

"If you examine his words, you'll see that the level of emotional disclosure reflects a new, mature Chainz," Minaj explained. "I mean, he says 'I luv dem strippers' four times in a row! The repetition reinforces the importance of love in our increasingly materialistic society."

Added rapper Rick Ross: "Cars just like sneakers, just got me ten pair, Dubai I been there, but fuck that we in here!"

Chainz's new outlook seems to be spreading to others throughout the rap scene, including Ja Rule, who has forgone his own material possessions while in prison.

Meet Our New Mascot

We'd like you to meet Misnaela. She's totally cool, not like that bear bitch we used to put up with. She likes cooking and plays the cello, and she loves having a good time. Really open to new things. Like the other night we took her to a house party, and she just started making out with a girl standing next to her! We barely saw her after that -- that's how carefree and easygoing she is. We didn't even have to make sure she was comfortable at the party. Or get her a drink. Or talk to her. Or any of those awkward formalities. Yup, this one might just be the boost we needed.

North Korea, cont'd

ment, American intelligence experts have quickly sought to reassure the public that there is no real threat.

"We have deployed a state-of-the-art anti-ballistic t-shirt defense system," said Secretary of Defense Chuck Hagel. "It's the same technology as when the girl firing the t-shirts looks and points right at you, but then some bitch sitting in front of you with her boyfriend catches the shirt and won't give it up even though it was clearly meant for you. You know, you'd say something but the boyfriend has tattoos and he looks like he might have a knife. Anyway, point is that you're safe and the t-shirts will never hit you."

Despite the t-shirt cannon's positive impact on the local fanbase's confidence and morale, North Korea remains dead last in the League of Nations.

What Do You Think?

Thousands of students were unable to see Macklemore's performance after the snowstorm forced WUstock to be moved indoors to the Pageant. What do you think?

Macklemore
Frugal shopper

"Did you really expect me to perform in the snow? This cheap, hole-ridden coat already makes me enough of a cold ass honkey as it is."

Ashley Hortessman
WILD chair, not bitter at all

"WUstock isn't so great after all, now is it? At least WILD doesn't get your hopes up first."

Micah Zimwalt
Resourceful hipster

"Fuck, I used to like Macklemore before he became mainstream - but then when all those people couldn't go, not going to see him became mainstream too - so I took my zune and listened to Macklemore on the Swamp by myself."

Ryan Lewis
Producer

"You mean 'Macklemore and Ryan Lewis's performance.'"

George Washington
